ABOUT US

Autosurveil GPS

Your Vehicle Security, Our Priority

Dear reader,

Established in 2017, Autosurveil GPS is dedicated to providing the best GPS Tracker for cars in Ghana.

Our aim is to alleviate the increasing number of auto theft, driver misconduct and ensure the optimum security of our clients and their vehicles.

We guarantee that the needs of every customer are met through our impeccable service delivery, excellent product quality, and dedicated support. We work around the clock to ensure your vehicle investments are secured.

We were awarded the Best Car Security Systems Experts 2023 by the African Excellence Awards.

- Your Trusted Partner Since 2017

Barry Lord S. Avemegah
Chief Executive Officer

HOW WE WORK

We Persistently Improve Our Devices To Meet Your Operational Demands.

1. Choose what best suits your vehicle security

Choose from our wide range of vehicle security packages based on your operational requirements from our pricing page.

Basic
Advanced
Professional
Enterprise
Enterprise Pro
West African Package

2. Pick a Date, Time & Location for Installation

Schedule an installation by completing the booking form on our website. Our service team will get in touch with you to confirm your appointment and carry out the installation in a professional and timely manner.

3. Sit Back, Relax and Track your Vehicle Anytime, Anywhere

Monitor every activity of your vehicle conveniently from your mobile device and receive alerts on events happening on your vehicle in real time.
